Reasons for allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to teach or suggest individually or in combination a method of storing a texel in a texel cache wherein the method comprises the uniquely distinct steps of: forming an index signal by concatenating middle order bits of the s coordinate, middle order bits of the t coordinate, and at least one bit of the texture identification (as per claims 11 and 58); further failed to disclose: "forming an index signal by concatenating middle order bits of the s coordinate, middle order bits of the t coordinate, and at least one bit of r coordinate (as per claims 12 and 59); and further failed to disclose: "forming an index signal by concatenating middle order bits of the s coordinate, middle order bits of the t coordinate, and at least one bit of the main memory address (as per claims 13-14 and 60). These distinct features of the present claims invention have not found to be anticipated, suggested or made obvious by the prior art of record, either singularly or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
